

AUTUMN GREETINGS

The children are getting ready for Thanksgiving, outside playing in the leaves and enjoying the fall weather.

What are your Thanksgiving Day plans? Will you spend time with family? Friends? Thanksgiving is a time to reflect on all we are thankful for.

We're very thankful for you, our supporters and friends!

From all of us at Families First,

We wish you a very Happy Thanksgiving!

Program Updates

Families First staff are making exciting progress with our programs. We finished up our pilot for Let's Connect, and are seeing positive results with this new parent/child group offering. Our Circle of Parents@ groups continue to expand, and parent education classes are being offered in new locations! More families are being enrolled in our Parents as Teachers Program. We have just started offering Assessment Services and are making progress with plans for our therapeutic program for young pre-school aged children. So much going on at Families First!

Colorado Gives Day - 12/04

Together, we build community and can be part of the solution!

Abuse and neglect impact more than 37,000 children in Colorado each year and that translates to approximately 100 children each day. Your contribution will provide education and support programs to families which improves children's lives in Colorado.

Fall Dinner Presentation

What a great fall evening!

Thank you to all who attended the presentation! Families First is very appreciative of your support and willingness to make a commitment to the community. We've all heard the saying, "it takes a village to raise a child". Dr. Poole presented on brain development and how we can actually change the brain and trajectory for a child by showing empathy, and providing acceptance and connection.

Let's build community together!

If you were unable to make this one, filled up fast! We will be scheduling another presentation after the first of the year. Keep an eye out for the next one; you won't want to miss it!

Join our Family - give monthly

Together we build community!

Our mission is to prevent the abuse and neglect of children by providing education, family support, and treatment. By donating monthly, you are providing on-going support to benefit children and families. Families First relies on the continued support of people like you. Every amount counts!

Together we can be part of the solution!
