

HAPPY HOLIDAYS

Families First is very thankful for YOU!

There's lots happening around Families First. The hustle and bustle of the holiday season is underway.

The Children's treatment Center is all decorated for the holidays.

The 30th Anniversary Open House was a great success. Over 60 people came out to have a wonderful breakfast, generously donated by various sponsors, and enjoy tours of both the Children's Treatment and Family Centers.

Families First Staff Holiday Party enjoyed yesterday, with a book exchange and great food contributed by all!

We're gearing up for the Holiday Shop, outings for the Children's Treatment Center kids and many other holiday season adventures!

Families First is able to bring joy into the lives of children, because of your generosity and giving.

Here are some of the ways you can help during this holiday season:

By browsing Families First's [Hope Gift Catalog](#), you will find many ways to give around the holidays.

- Organizations and individuals can host a toy or gift card drive to provide the children participating in our services, those who wouldn't normally have gifts under the tree, a gift or two. We are still in need of toys and gift cards for the Holiday Season and Holiday Shop that is scheduled next week!
- By donating a gift card to provide items like shoes, clothing or other needed items for a child.
- Adopt-a-Family for the holidays, providing them dinner and gifts so that they can celebrate the season.
